Forecast for Sunday 05 Jun 2022

Weather: The main theme is for a fine, dry day with plentiful sunshine and turning warm for the afternoon, particularly in the south and west. However a chilly start in sheltered glens, also some lower cloud over Easter Ross and Sutherland at first this morning and perhaps returning later evening.

Chance of cloud-free hill tops above 800m: Near 100%

Low cloud and visibility: Generally very good or excellent, but very poor within cloud, which infrequently develops around 500m, chiefly early and late in the day in the north and east.

Met Office Aberdeen Meteorologist's View
Nothing to add

Forecast for Monday 06 Jun 2022
Weather: Still predominantly fair weather, but sunshine and brighter spells more limited with cloudier skies perhaps bubbling up to bring the odd light shower, chiefly during the afternoon and across ranges around the Great Glen. West again warmest but temperatures down a little from Sunday.

Maximum wind: East 10mph or less

Chance of cloud-free hill tops above 800m: 95% in west, 80% in east.

Low cloud and visibility: Generally very good or excellent, becoming moderate in light showers and very poor within cloud, which infrequently lowers 500m, chiefly in the north and east.

Temperature: **Glens:** Plus 1 Celsius increasing 21 Celsius during the afternoon
At 800m: Plus 5 Celsius increasing 9 Celsius during the afternoon
Freezing level: Above summits
